

## Mathematics 115 – F09: Assignment 1

Due: Wednesday, 9 September 2009

**Notes:** **A:** Read §4 Assignments in the handout *Course Information* before starting this assignment. In particular: **show all calculations, justify all steps, cite all theorems, don't forget units, write legibly, sleep well, and be nice to your roommate(s).**

**B:** Assignments must be handed in before the beginning of the \*\*\*\*\*.

**C:** Use 4 digits of accuracy to the right of the decimal when doing decimal calculations.

(1) 52, p. 39

(2) 66, p. 48

(3) 60, p. 59

(4) 46, p. 64
