

MATH 111: Calculus I

MWF 12:50pm - 1:40pm

MSC W302

Fall 2009

Instructor: Jake McMillen
E-mail: jamcmil@emory.edu
Office: MSC N406, (404) 727-7581
Hours: Mon: 2:00pm-3:00pm, Tues: 3:00pm-4:00pm
Website: <http://userwww.service.emory.edu/~jamcmil/>

Textbook:

Single Variable Calculus, 6/e, by J. Stewart

Topics:

1.1-1.3, 2.1-2.3, 2.5, 3.1-3.8, 4.1-4.5, 4.7, 4.9, 5.1-5.5, 6.1-6.3

Grading:

There will be 3 tests and a final exam given. The final grade is computed as:

25% Homework 45% Tests 30% Final Exam

Final Exam:

The final exam is cumulative and will take place on Thursday 12/10 from 8:30am to 11:00am. **The exam date is not negotiable. Plan accordingly!**

Calculators:

No calculators are permitted on any exam.

Homework:

There will be 10 homework assignments given throughout the semester. In addition to making up 25% of your final grade, completing the assignments is essential for preparation for exams. Only the highest 9 scores will make up your homework grade. The lowest grade will be dropped. Absolutely no assignments will be accepted once the solutions have been given out.

Make up Tests:

Make-up tests are only given in extreme cases and with prior notice. A note from the Dean is required.

Attendance:

Attendance is not mandatory, however, regular attendance is of the utmost importance for success in this class.

Help Sessions:

Free tutoring is offered to Math 111 students. Sessions are T, W, Th from 5:30pm-7:30pm in MSC W302. Please consider using this valuable resource.

Disruptions:

Disruptions that interfere with other students' ability to learn will not be tolerated. A student may be asked to leave the class or exam for disruptive behavior.

Turn off all cell phones and pagers before class!

Honor Code:

All students must adhere to the provisions of the Honor Code. See the following:
www.college.emory.edu/current/standards/honor_code.html
