

## Matthew R. Dudgeon

Electronic address:  
[mdudgeo@sph.emory.edu](mailto:mdudgeo@sph.emory.edu)  
[mdudgeo@learnlink.emory.edu](mailto:mdudgeo@learnlink.emory.edu)

Business address:  
Department of Anthropology, Emory University  
Atlanta, GA 30322

**Graduate studies – Fields of concentration:** Medical anthropology, Epidemiology

Pre-graduate Studies	Degree/GPA	Date	Fields
Vanderbilt University	BA summa cum laude GPA 3.91	1996	Anthropology (high honors) Philosophy Chemistry (minor)
Leeds University	Vanderbilt-in-England	Spring 1995	

Postgraduate Studies	Degree/GPA	Date	Fields
Emory University	MA	2002	Anthropology
Emory University	PhD, GPA 3.92	expected 2005	Anthropology
Rollins SPH, Emory University	MPH, GPA 3.98	expected 2005	Epidemiology

### Appointments

Spring 2000	Emory University, Anthropology	Co-teacher, Anthropology and International Health
Fall 1998	Emory University, Anthropology	Teaching Assistant, Biological Anthropology
Summer 1998	Emory University	Technical Assistant, Emory Biological Field School, Guatemala
Spring 1998	Emory University, Anthropology	Teaching Assistant, Human Skeletal Biology
6/1996-4/1997	DuVall and Associates, Inc., Nashville, TN	Physical anthropologist

### Grants, Fellowships and Honors

2003	Oak Ridge Institute for Science and Education Fellowship	Summer Fellow, Division of Oral Health, CDC
2002	National Science Foundation "K'iche' Mayan men's influences on maternal and infant health"	Dissertation Improvement Grant (\$9730)
2002	Department of Education/Fulbright-Hays "Birth after death: K'iche' Mayan men's influences on maternal and infant health"	Dissertation Research Award (\$20,471)
2003	Wenner-Gren Foundation "Birth after death: K'iche' Mayan men's influences on maternal and infant health"	Individual Research Grant (\$19,995)
2000	Vernacular Modernities Award, Ford Foundation	Area studies and language training
2000	Center for the Study of Health, Culture and Society Fellow	Year in Rollins SPH, Epidemiology
1999	National Science Foundation	Summer Research Grant
1998	National Science Foundation	Graduate Fellowship, doctoral study
1997	Emory University	George W. Woodruff Fellowship, doctoral study
1995	Vanderbilt Summer Research Program	Summer research in archaeology, Oaxaca, Mexico
1994	Vanderbilt School of Medicine	Early acceptance to class entering 1996
1992	Vanderbilt University	Dean's Select Tuition Scholarship

### Research

ORISE Fellow, Division of Oral Health, NCCDPPH, Centers for Disease Control

*Multistate logistic regression analysis of PRAMS data set, assessing predictors of dental problems and care utilization during pregnancy*

PhD dissertation fieldwork, advisor Carol M. Worthman, western Guatemala, 2002-2004

*Investigation of men's influences on maternal and infant health and men's reproductive health problems in two K'iche' Mayan communities, combining cultural and biological anthropology and epidemiology*

Research assistant, Carol Hogue, Georgia PRAMS data set, Summer-Fall 2001

*Logistic regression analyses of pregnancy intention and birth control failure predicted by socioeconomic status*

MPH thesis, advisor Carol Hogue, Georgia PRAMS data set, Spring-Fall 2001

*Logistic regression analysis of timing and utilization of prenatal care predicted by paternal presence and father's name on birth certificate*
